

ESOL

Citrus County Schools is pleased to announce our ESOL endorsement course schedule. Courses will be offered through Edviate (formerly PD360) and are free of charge in 2018-19.

Each course is 60 hours which is equivalent to a 3-semester hour college course. We do not recommend taking more than one course at a time. Contact Leia Swiggett (swiggett1@citrus.k12.fl.us) or see <http://esol.citrusschools.org/> for more information.
