

International Baccalaureate External Examination (IB)

Grades/Students

Enrolled IB students in grades 11 and 12

Date

Administered in May of each school year

Description

The written examinations are part of the International Baccalaureate's Diploma Program, which prepares students for college acceptance in approximately 110 countries. These criterion referenced tests in literature, foreign language, social science, experimental science, mathematics, and the arts are scored by two examiners.

Results

The results are sent to students in July. Students may also obtain their results online by using their personal identification number, which they receive from their Diploma Program Coordinator.

Basis of Test

Internationally offered
